Appreciation to Alumni of KLMCEW Ms. P. Dedeepya for Securing APPSC Group-I Post

News papers clipping of Alumni of KLMCEW Ms. P. Dedeepya for Securing APPSC Group-I Post

Ms. Pappireddy Dedeepya, alumni of KLMCEW in the stream of ECE (2009-2013) was a very bright student, when she pursued her education here in KLM College of Engineering for Women. She was inquisitive, very talented and we expected her to reach pinnacle one day or the other.

The management is feeling proud enough for her achievement and extending congratulations to her for securing Group-I post in APPSC examinations and wished her “All the Best”. Principal, HoDs, teaching, non-teaching staff and students extending best wishes to her.

Congrats Dedeepya

Signed an MoU with Unacademy

Dr. K. Chandra Obul Reddy garu receiving an MoU from Mr. Madhusudhan Reddy of Unacademy

KLMCEW had an MoU with Unacademy for providing online training in GATE, UPSC, CAR & SSC on subsidized prices to our college students. Managing Director of Kandula Group of Institutions Dr. K. Chandra Obul Reddy garu, Principal Dr. M.V. Rathnamma garu signed an MoU with Unacademy. On this occasion, MoUs in-charge of KLMCEW Dr. T. Lakshmi Narayana, HoDs and teaching staff have participated.

Awareness Session Conducted on “Artificial Intelligence and Machine Learning” by Airbaclabs

An awareness session has been conducted on "ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING" held at Kandula Lakshumma Memorial Auditorium in KLM College of Engineering for Women. Speaking on the occasion, CEO of AIRBACLAB Mr. Vijay Pavan vividly explained the importance of AI&ML in day to day life. The students who will gain knowledge in artificial intelligence will have employable opportunities in the future and he felt that AI is gaining momentum now.

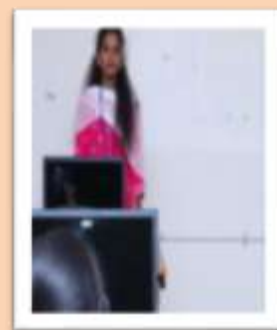

He felt that China is making rapid strides in technology and even though India is second populated country only after China, our country is lagging behind in terms of technology, he felt we are unable to compete with China. He said that China, Japan, South Korea, Israel are moving ahead in technology among all the nations. He has showed some video clippings of China's development in developing bullet trains and manless car driving and educated students.

Lastly, he called upon students to have internships with their company to gain knowledge in AI & ML, he also said to give concession if the enrolment is more in number and he also want to conduct a Hackathon in KLM. The II and I B.Tech students felt very happy to attend such kind of awareness sessions. Principal Dr. M. V. Rathnamma garu staff, non-teaching staff, head of the departments, actively participated. The sessions culminated with proposal of vote of thanks by Mr. V. R. John Devanand.

World Population Day Celebrations at KLMCEW

World population day has been observed at KLM with collaboration of NSS unit. In which II Year B.Tech students and staff participated. Speaking on the occasion a few students Mariyam, Jeevitha and Devaki spoke the effects of increasing population. NSS Programme Officer Sri.V.R. John Devanand felt growth in population may lead to dangerous consequences and asked students to create awareness among people to have small families each and every one. He also expressed apprehensions that one day India may surpass in terms of population.

Dr. T .Lakshmi Narayana felt that earth is limited if population increases meeting needs of people will be difficult in the future. Principal Dr. M. V. Rathnamma called the students to controlling the population is the need of the hour and asked students to become entrepreneurs.

Students (from left to right) Jeevitha, Mariya Munnisa, Vasundhara and Devaki delivering the speeches

Principal Dr. M.V. Rathnamma, NSS P.O Sri. V.R. John Devanand and Dr. T. Lakshmi Narayana delivering the speeches

Azadi Ka Amrith Mahosthav

Felicitating Swami Turiyananda Saraswathi by NSS Coordinator Mr. John Devanand and Principal Dr. M. V. Rathnamma

Motivating the students with his speech by Swami Turiyananda Saraswathi

Audience listening to motivational speech of the Swamiji

As a part of ongoing celebrations of "AZADI KA AMRITH MAHOSTAV" commemorating 75 years of India's freedom. Chinmaya mission, Kadapa is going to organize a three day state level youth convention at SRI LALITA PANCHAYATHANA TEMPLE, Kadapa. For encouraging students to participate in the above event, Sri Turiyananda Saraswathi swamiji visited our college and enlightened the students about the greatness of our country. Speaking on the occasion he said that India needs transformation in the coming 25 years, as we are celebrating 75 years of freedom. He listed a set of

luminaries like Gandhi, Nehru, Jhansi Laxmi bai, Abdul Kalam, Sachin Tendulkar, Jemsteji Tata, Verghese Kurian, Subash Chandra Bose transformed India.

He said that India is self sufficient and technologically well developed and added that India is among 5 countries which can send satellites to earth' orbit with own technology and India launched 104 satellites at one go into Earth's orbit. He felt that transformation is the need of the hour, every one of us should strive hard for developing our nation. He has shown one video clipping inspiring students who were present there. He asked students to enroll for the event to be held from 13th August to 15th August. The guest gave a list of eminent speakers the likes of Swami Mitrananda, Swami Chidrupananda, Swami Anukoolananda, Smt. Saritha IPS and Sri N.S.Rao, Retd. Major General. Indian Army will address the student's fraternity for 3 days. Principal, HODs, teaching, students, non teaching took part. Programme culminated with felicitation to Swamiji.

Motivational Speech

Motivational speaker Bathala Subramanyam

Principal Dr.M.V.Rathnamma, faculty and students listening the motivational speech

Motivational speeches works effectively, keeping in view of this a motivational speech has been organised by NSS Unit for the benefit of B.Tech students in KLMCEW. Motivational speaker Bathala Subramanyam (Kadapa) motivated students. He exhorted students to cultivate positive thinking, he

asked students to serve the people and to love parents and asked them to work hard to reach pinnacle. The students motivated and benefited.

In the view of creating awareness among students of B.Tech, an awareness session has been conducted on "Never forget parents, they are the reason, why you are? And who you are? and also with the topic of how to overcome from difficulties?" at Kandula Lakshumma Memorial auditorium speaking on the occasion, motivational speaker Mr. Bathala Subramanyam vividly explained that to have a feeling of great respect or admire on parents. Firstly, he confessed that our first and foremost persons in our life are, father, mother and teacher. Subsequently he analyzed that our first goddess and protector is our mother. Mother is our first teacher, influencer and supporter. Mother plays an inseparable role in each of our lives and teaches us to believe in ourselves and helps us to learn how to behave, speak, and sharpen our thinking. Mother offers unconditional love, care and support to us. We indeed need a mother's love, care and advice whenever we feel sad, feel like a failure in our life, depressed about something. Mother makes us to feel confident and helps to come out from any critical situation. We should respect our mother and not leave her in any old age home.

Afterwards, Subramnyam sir came to the connotation of father. A father who is devoted to us and his family will do whatever it takes to make you happy. He will be faithful and loyal. He will be always there for us in any situation. He earns his bread and butter for family and tries his best to fulfil their needs and demands. He leaves his all difficulties and problems at the doorstep and enters into the home with a precious smile to make his family happy. We should respect our parents and should not leave them in any old age home. Predominantly, he came to exhort about teachers. The reason for every student's success is a teacher. After parents, teacher is the main person. Teacher is a person who helps students to acquire knowledge, competence or virtue. They are the one who spends more time with students more than their family. He concluded that "A good education can change anyone. A good teacher can change everything and make the student bright".

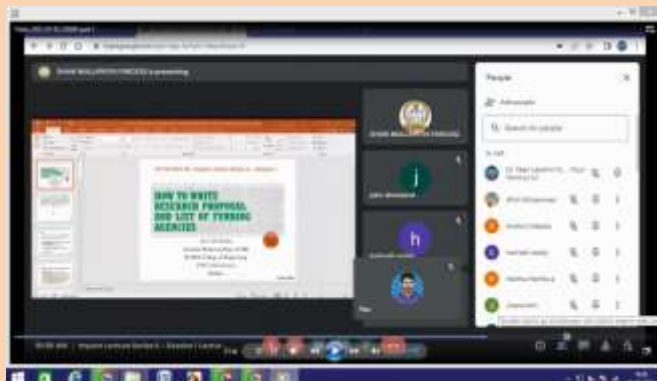

He also motivated that the happiness of our life depends on the quality of our thoughts, positive thinking and negative thinking. We should not make the suicide attempts at the time of failures or in any difficulties. He clearly contributed that, how to overcome from suicide attempts? He also told that to be confident in any work, need to keep a burning desire to success in life. He has showed some video clips of parents. Every student felt very happy to attend the session. Principal Dr. M.V Ratnamma garu, Media coordinator Dr. T. Lakshmi Narayana, staff, non-teaching staff, HODs, actively participated. The session culminated with proposal of vote of thanks by V.R John Devanand.

AICTE- MIC-IIC Impact Lectures

KLM College of Engineering for Women selected to organize impact lecture series phase II - 2022 which was sponsored by MHRD'S Innovation Cell, AICTE New Delhi. On behalf of this KLMCEW conducted two impact lectures with four sessions on 3rd July and 29th July 2022 as two lectures on each day. On 3rd July 2022, the session planned with two lectures named "How to Write Research Proposal and List of Funding Agencies" which was delivered by Dr. S. M. Farooq Hussain

Associate Professor in CSE, K.S.R.M. College of Engineering (Autonomous) Kadapa, Andhra Pradesh at morning session.

Dr. S.M. Farooq delivering the lecture in google meet virtual mode

In this session the students learned the details of list of funding agencies and motivated the students and faculty towards the research and development side. Also learned the way of writing research paper and know the process of writing a research proposal.

Sri. P. Varaprasad delivering the lecture in google meet virtual mode

In the afternoon session the lecture titled “Entrepreneurship Skill, Attitude and Behavioural Development” has been delivered by Sri. P. VARAPRASAD, JKC Full Time Mentor SKR & SKR Govt. College for Women (Autonomous), Kadapa, Andhra Pradesh.

Dr. Nageswararao Sirisala delivering the lecture in google meet virtual mode

The resource person delivered a wonderful information from that the participants learned the skill, attitude and behaviour of an entrepreneur also known that a “good entrepreneur” should have some

personal qualities which include curiosity and creativity, motivation and self confidence, willingness to take risks and ability to innovate etc. And aware about what qualities do entrepreneurs should have in future. Finally learn some important successful entrepreneurs and their profession behavior, skill and attitude. The impact lecture session two was conducted on 29th July 2022 with two lectures. The first lecture titled “Prototype/Process Design and Development” was held at morning session by Dr. Nageswararao Sirisala, Associate Professor in the department of CSE, KSRRM College of Engineering, Kadapa. The resource person Dr. Sirisala covered the contents related prototype and its development , also shared his research work which was sanctioned by Department of Science and Technology (DST), Government of India.

The participants attained the program outcomes such as definition of prototype and virtual prototype, prototyping cycles, six stages of prototyping, categories and types known the current employability in the world with statistics, differences between business and start-ups.

Mr. Shaik Fayaz Ahammed delivering the lecture in google meet virtual mode

During the afternoon session the resource person Mr. Shaik Fayaz Ahammed, Founder and CEO of Prosol Minds delivered his lecture named “Motivational Story on Innovation Startup and Entrepreneurship”. He motivated the students and participants with real life experiences and by citing examples of current world famous entrepreneurs.

The impact lecture series was culminated with Convener of IIC, KLMCEW Dr. T. Lakshmi Narayana and Principal Dr. M.V.Rathnamma.

"AZADI KA AMRITH MAHOTSAV" Has become a heartbeat of every Indian. Indians are gearing up for 75th Independence Day. To give momentum for the patriotic fervour among students, we the NSS units of KSRM & KLM organized a 2K Run on 10th August 2022. The rally started with flagging off by our Honourable M.D. sir from ITI circle by garlanding and paying rich tributes to Mahatma Gandhi's statue by Our Managing Director Dr. K. Chandra Obul Reddy, the students ran raising slogans "Bolo Bharath matha ki", "Proud to be Indian", "Mera Bharath Mahaan", "Azadi ka

Amrit Mahostav" and many more slogans. The rally culminated at Sainik circle, where students formed a human chain and raising of slogans. The students actively participated with great enthusiasm. The principals of both colleges took part, HODs, staff also took part in the rally and made it grand success.

Paying tribute to Father of India Mahatma Gandhiji by MD of KGI Dr. K. Chandra Obul Reddy and Principal of KSRMCE Dr. V.S.S. Murthy, Principal of KLMCEW Dr. M.V.Rathmma along with Dr. V.V.Ramama, Dr. S.K.Peer and Mr. Ramprakash Reddy

Starting of 2K run by waving of national flag by MD of KGI Dr. K. Chandra Obul Reddy

Shaik Bebe Hazeera and Shaik Nikhath Sulthana wearing turban, face mask and hizaab in tricolour mark Indian flag on the eve of 2K run as a part of *Azadi Ka Amrit Mahostav*. The two students were special attraction and drawn the attention of many passersby. Our MD of KGI specially congratulated the two students for their patriotic fervour.

Towards the respect on the nation our students have worn tricoloured hizaab.

Marching and Running the students on behalf of Azadi Ka Amrit Mahostav Celebrations – 2K Run

Independence Day Celebrations at KLMCEW

Celebrations of Independence Day at KLM College of Engineering for Women on 15th August 2022. Honorable Secretary, Treasure and Correspondent of Kandula Group of Institutions Smt. K. RAJESWARI gaaru, Honourable Managing Director of Kandula Group of Institutions Dr. K. CHANDRA OBUL REDDY gaaru and Principal Dr. M. V. RATHNAMMA gaaru have been grace the occasion and wish the 75th Year of Indian Independence! Students, teaching and non-teaching staff have been participated.

Wishing Very Happy Birthday to Kandula Trivikram Reddy

Mr. Kandula Trivikram Reddy son of Dr. K. Chandra Obul Reddy celebrated his birthday on 23rd August. On this occasion, Principal Dr. M. V. Rathnamma, head of the departments, teaching, non-teaching staff wished him “Very Happy Birth Day” and gave him their blessings.

Industrial Visit to Unotek Building Products Pvt. Ltd.

On 24th August 2022, KLMCEW final year B.Tech students visited Unotek Building Products Private Limited, Kopparthi Industrial Park, Kadapa, Andhra Pradesh.

UNOTEK Building Products Pvt LTD., is the leading AAC (Autoclaved Aerated Concrete) products manufacturer that strives to deliver quality products to its customers. UNOTEK has state-of-the-art machineries and technology to produce a wide range of AAC products with various compressive strengths to cater for various architectural and design requirements of several types of buildings.

Students getting ready for industrial visit to Unotek Building Block Pvt. Ltd.

Student trained the making of AAC blocks and known the advantages and comparison with clay bricks. Got the awareness about strength of materials and how these are became eco-friendly.

The expert team of Unotek Company have explained the making manufacturing process of AAC building blocks

In this occasion, Honorable Managing Director Dr. K. Chandra Obul Reddy gaaru, Principal Dr. M.V. Rathnamma gaaru permitted and encouraged the students to gain the knowledge. Coordinators of Industrial Training Programmee Dr. T. Lakshmi Narayana and Mr. S. Subhash participated and guided the students along with UNOTEK Company expert Staff.

Industrial Visit to Chaitanya Chemicals

As a part of ongoing Industrial visit IV B.Tech students of KLM visited "Chaitanya Chemicals". During the visit the students gained knowledge of manufacturing of chemicals, the raw materials used in making chemicals and about calcinations process. The management vividly explained the process. The students queries were answered, the students went around the factory and gained knowledge.

On this occasion, Honorable Managing Director Dr. K. Chandra Obul Reddy gaaru, Principal Dr. M.V. Rathnamma gaaru permitted and encouraged the students to gain the knowledge. The coordinators of the industrial training programme Sri. V.R. John Devanand and Mr. S. Subhash participated and guided the students along with Chaitanya Chemicals Company expert Staff.

Students patiently listening to the inputs given by the company officials

The Chaitanya Chemicals company officials explaining the process of manufacturing

KLMCEW Students Visited Nagara Vanam

As a part of Co-Circular/Extra Circular Activities IV B.Tech students of KLM visited "Nagara Vanam". During the visit the students participated in plantation Programme. The students got refreshed; the students went around the Nagara Vanam and enjoyed the nature out of their routine activity.

In Nagaravanam, students had a nice time with cradles, merry go rounds, see saw, open gym and more. Students even had their delicious lunch provided by the college. Smt. S. Swetha of CSE, Smt. H. Mounika of ECE, Mr. S. Subhash of CE coordinated the programme.

Students and staff of KLMCEW at Nagaravanam

Students of KLMCEW enjoying with their camera work at Nagaravanam

Conducted Sports to Staff and Students

Sports stimulate the physical and mental growth of a child. A person who regularly plays sports develops a healthy body, develops better body strength and better coordination. The physical benefits also include maintaining a healthy weight, preventing chronic diseases and learning the skills necessary to maintain a healthy lifestyle. The enhancement of physical and mental development of children is certainly the most important contribution of sports, but the list of values a child may acquire through sports does not end here. The positive aspects are numerous, which reveals the true beauty of sport.

On behalf of “National Sports Day”, sports have been conducted in Kandula group of colleges. On the occasion of that several games were held like Kabaddi, Throw ball, Volleyball, Cricket, Shot put, Discus throw, Throw ball, Musical chairs, Javelin throw, Lemon and spoon, and Tug of war for students and staff, in which students and staff participated enthusiastically and competed with one another for prizes. On sports day, the winners were given prizes by honorable M.D Dr. K. Chandra Obul Reddy at KOR auditorium.

National Sports Day Celebrations and Prizes Distribution to Winners

On the eve of "National Sports day" commemorating Hockey legend Major Dhyan Chand Birth anniversary KSRM and KLM organised a programme at KOR auditorium today for which Kandula of Institutions Managing Director Dr. K. Chandra Obul Reddy participated as Chief guest. First he garlanded the portraits of his father Late K. Sivananda Reddy and Dhyan Chand on the dais, speaking on the occasion he stressed the importance of physical fitness and he said how it helps to keep everyone fit and he asked all to play any game of their choice at least 30 minutes to keep I'll health at bay. He also said that KSRM is providing all the much needed support for the sports, he said that "we are able to provide the perfect platform for sports" he said that he is spending lot of money on sports development and he told that he is making efforts to complete Indoor stadium for the benefit of students in memory of his late Father and expressed confidence that if everything goes right he will inaugurate indoor stadium on November 4th on the eve of his father's 2nd death anniversary. He asked everyone to take Dhyan Chand as source of inspiration.

The in-charge Principal of KSRMCE Dr. G. Hemalatha asked management to make sports as mandatory and asked to allocate one (one hour) period for sports, she felt that now a days getting health issues after crossing 40 years has become ubiquitous, she asked students to maintain fitness of body. Dr. M. V. Rathnamma, principal KLMCEW spoke on the occasion, in her speech she said as soon as a baby comes out of mother's womb the baby waves hands, legs which itself speaks that we start life with a play and asked students to concentrate more on sports and she also told that as computer needs both hardware and software so as human beings also needs both physical and mental strength, as a computer without either hardware and software is of no use.

The chief guest MD of KGI Dr.K.Chandra Obul Reddy sir gave away prizes to winners of competitions held on the eve of sports day, the competitions were held both for students and for staff.

Before the start of the function two kids Reethu Sri Reddy and Nayana Sree enthralled the audience with the scintillating classical dance.

After that Cultural programmes made the audience spellbound. The anchor of the programme Smt. Vijayalakshmi, MBA read out the list of winners. The students actively participated in the programme. All the HoDs, teaching, non-teaching staff was participated.

Eco-Friendly Ganesh Idols

Vinayaka Chaturthi is a festival which is celebrated all over India to worship Lord Vinayaka, is becoming more eco-friendly nowadays. Generally, Vinayaka murtis are made of Plaster of Paris, are immersed in water after Vinayaka Chaturthi, which harms the water bodies. Many of the people are practicing the eco-friendly Idol during Vinayaka Chaturthi. Being responsible citizens we can accomplish something for our environment Plaster of Paris is non-biodegradable made of poisons and unsafe colors and it severely pollutes the sea-going life and water bodies. To spare and secure our nature, we should hold hands and do our bit, and go for eco-friendly items. Numerous campaigns are performed to make awareness on conserving the environment through different mediums such as “it saves our water resources”, “it protects human health”, “it is easily available”, “preserves the quality of soil” and “brings the people together”.

Therefore KLMCEW students and staff prepared two eco-friendly Vinayaka Idols with locally available soil, leaves and flowers. These eco-friendly Vinayaka idols preparation has shown a closed communication and idea sharing among the students and staff. Principal Dr. M.V. Rathnamma gaaru encouraged the students and staff.

Teachers' Day Celebrations on 5th September

Paying tributes to Dr. S. Radhakrishnan on the eve of teachers day

Cutting of the cake by principal Dr. M.V. Rathnamma on the eve of teachers day along with staff and students

Every year we observe September 5th as TEACHERS' DAY commemorating birthday of former president of India Dr. Sarvepalli Radhakrishnan. The NSS unit of KLMCEW and Principal and few students took initiative and organised "Teachers' Day" on 05th September 2022 at Kandula Lakshumma auditorium. Inaugurating the programme Principal extended wishes to all teachers and said how Radhakrishnan became inspiration for teachers of today and concluded quoting a quotation "Don't prefer beauty which spoils your duty you prefer your duty which makes your life beauty"

Speeches given by Dr. M.V. Rathnamma, Sri. V.R. John Devanand, Dr. T. Lakshmi Narayana, Smt. D. Prabhavathi

Later V.R. John gave an illustration about a retired teacher aged 74 after his retirement teaching in his native village without monetary benefits by travelling on a bike for 11 kms a day and told teaching is a noble profession. Dr. T. Lakshmi Narayana in his speech emphasized greatness of teaching with a telugu quotation and felt that teacher is honoured everywhere. Smt. D. Prabhavathi, in her speech told she feels proud for being in a teaching profession and told the biography of Sarvepalli Radhakrishnan

and felt teacher is always need to transform society. Later a cake has been cut and a group photo has been taken in the end. Dharani welcomed the guest and Radhika spoke on the occasion.

Dharani and Radhika I CSE took initiative in making the event a memorable one.

Community Service Project

Organic Farming (ECE & CSE): As a part of Community Service Project for "Community Development Programme" III CSE students sowed the seeds of different varieties in CSE block on 09th September 2022, Hon. Traditional Healthcare Methods: Traditional medicine refers to health practices, approaches, knowledge and beliefs incorporating plant, animal and mineral based medicines, spiritual therapies, manual techniques and exercises, applied singularly or in combination to treat, diagnose and prevent illnesses or maintain well-being.

Students creating awareness on traditional healthcare to school children by showing them few charts

Food Habits: Food habits is about what food we eat, how we eat and why we eat it, depending of several factors linked to establish patterns and different manners across cultures. On the other hand, dietary behaviors are generally associated with dietary patterns related to selecting low-fat diets, which are not always related to good eating habits.

Students creating awareness on food habits to school children by showing them few charts

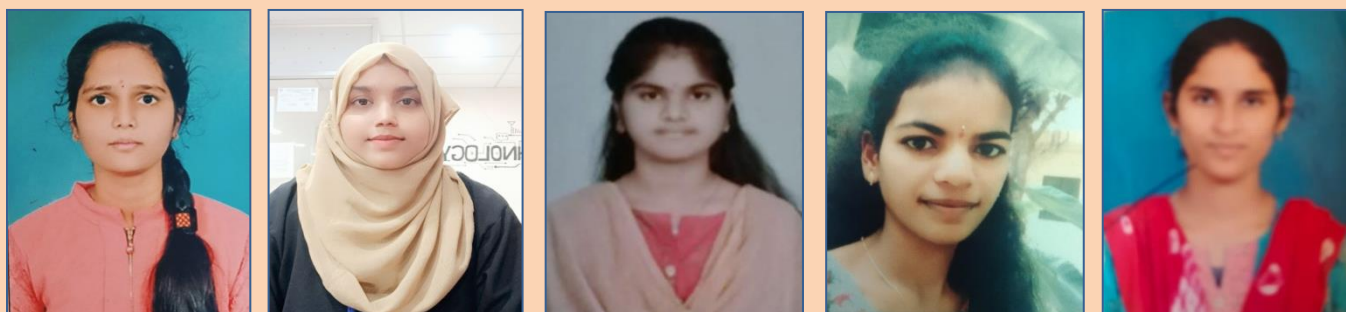

Yoga Awareness & Practice: Apart from physical benefits, the incorporation of meditation and breathing yoga practices can help improve your mental well-being. Practicing yoga regularly can create mental clarity and calmness, increase awareness, relieve chronic stress, relax your mind and dramatically improve your concentration.

KLMCEW students making the school children doing yoga

General Medical Camp (Booster Dose Vaccination): Free camp for administering booster dose of COVID vaccination to 18 plus population organised at KLM College of Engineering for Women Kadapa. To eradicate Covid-19 completely, our students have organized Covid vaccination center and in that camp several students got vaccinated.

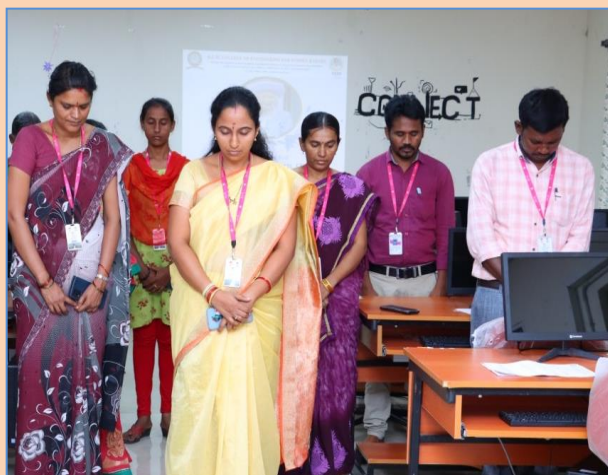

KLMCEW students who took part in Covid-19 booster dose vaccination drive

Condolence to Queen Elizabeth – II

KLMCEW organized a condolence on 09th September 2022 to Elizabeth II who passed away on 08th September 2022. On this occasion, staff and students observed two minutes silence for departed soul to give rest in peace. Principal Dr. M. V. Rathnamma, IIC Convener Dr. T. Lakshmi Narayana, HoD of CSE Smt. S. Harini Yadav, Smt. D. Prabhavathi, Mr. B. Sudhakar, Physical Director, nonteaching staff, students took part.

Elizabeth II (Elizabeth Alexandra Mary; 21 April 1926 – 8 September 2022) was Queen of the United Kingdom and other Commonwealth realms from 6 February 1952 until her death in 2022. She was queen regnant of 32 sovereign states during her lifetime and 15 at the time of her death. Her reign of 70 years and 214 days is the longest of any British monarch and the longest recorded of any female head of state in history.

International Literacy Day

‘International Literacy Day’ is observed on 08th September every year to raise awareness and concern for literacy problems that exist within our own local communities as well as globally. The day is

also celebrated to advance the literacy agenda towards a more literate and sustainable society. In this connection, in KLMCEW on 08th September 2022, Principal Dr. M. V. Rathnamma started one week literacy programme for non-teaching and supporting staff of KLMCEW.

Many of the illiterate people started to practice writing and learning by the final year B.Tech students. Staff also involved and monitored the mentoring given by students to illiterate people. Dr. T. Lakshmi Narayana, Smt. S. Harini Yadav, and Smt. D. Prabhavathi coordinated the programme.

MBA students at ALAVIDA

Engineer's Day Celebrations

On the occasion of "Engineers' Day" in memory of birth anniversary of Bharath Rathna Sir Mokshagundam Visvesvaraya in collaboration with NSS and IIC, a programme has been organised. Speaking on the occasion Principal Dr. M. V. Rathnamma asked students to take Visvesvaraya as role model and she gave some real life situations about the great engineer that once he was travelling in train and that train passed through one bridge Visveswaraya felt that the bridge was about to collapse, exactly a few minutes later, it was collapsed, and people asked him how he was able to predict the incident, then he told "When train passed through the bridge I was able to hear a sound, by that sound I could guess the eventuality" she asked to walk in the footsteps of him.

NSS programme officer Sri. V .R. John Devanand exhorted students to take Visvesvaraya as epitome of hard work and he told that he was work haulic and honest and in spite of taking birth in a very poor family, he rose to highest position. Dr. A Hari Haranath Reddy, HOD, MBA asked to follow the footsteps of him and felt that India is proud to have such kind of noble personality and felt that he deserves Bharath Rathna award. S.Rubeena I CSE spoke on the occasion, before those floral tributes were paid at the portrait of Visveswaraya. Lasya IV CSE did anchoring.

NSS Foundation Day

On the occasion of NSS Foundation Day 25th September, to mark the occasion, we the NSS unit of KLMCEW has organized a sapling plantation, Volunteers took an active part and planted the saplings in CSE block. The volunteers also took part in cleaning the campus as they conducted clean and green in the campus.

NSS volunteers planting the saplings

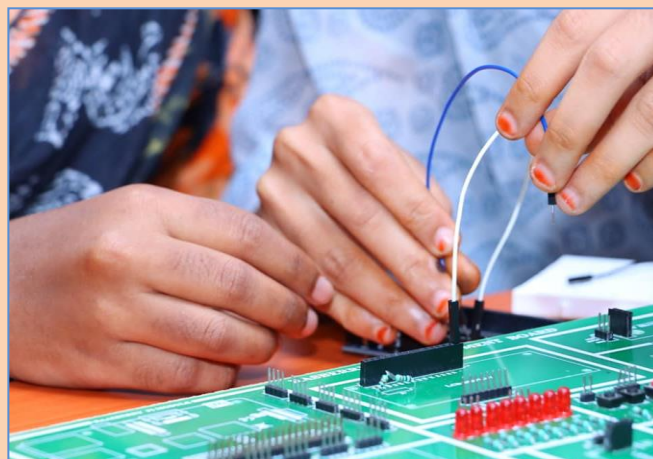

NSS students volunteers and staff planting the saplings

NSS programme officer V.R.John Devanand, Dr. T. Lakshmi Narayana, B. Adilakshumma, H. Mounika and volunteers took part in the event. Principal Dr. M.V.Rathnamma and Management Members appreciated the participants of this programme. By the distribution of sweets to the participants, the programme had been culminated.

Three Days Workshop on IoT and its Applications

A Three Days Workshop on Internet of Things and its Applications (Hands-on-Approach) from 26th to 28th September 2022 by the resource persons Sri. N. Siddik, Assistant Professor in the department of EEE, KSRM College of Engineering, Kadapa and Sri. K. Kalyan Kumar, Assistant Professor in the department of EEE, KSRM College of Engineering, Kadapa.

Students involved in practicing hands on approach of IoT Applications

Principal Dr. M. Rathnamma along students, resource persons and coordinators of IoT workshop

The resource persons in their lecture they told that Internet of Things (IoT) is an ecosystem that consists of smart objects with networks, sensors and processing technologies. It integrates and works together to create an environment providing smart services to end-users. IoT is an emerging technology platform that enables various devices around us to communicate with each other through sensors, connected via the internet to make our lives easier. They explained the various applications of IoT in current days such as health care, smart grid, smart electric vehicle, smart home automation, smart cities,

retail applications, smart agriculture and environment, manufacturing, transportation and logistics, public sector and general security across all industries.

The cloud based IoT hands on works have been made by the students and students learned the practical approach with IoT tools. Mr. B. Sudhakar and Smt. S. Harini Yadav coordinated the workshop. Principal Dr. M.V. Rathnamma welcomed the resource persons and appreciated the coordinators.

Dussehra (Pre) Celebrations

Dussehra Celebrations have been celebrated at KLM College of Engineering for Women Kadapa with pomp and gaiety. Correspondent Smt. K. Rajeswari garu graced the occasion. She extended her wishes on the eve of Dussehra and hoped that everybody should celebrate it as Indian festivals are celebrated with a purpose.

Principal Dr. M. V. Rathnamma garu felt that in the end good will win over bad, so she exhorted all the faculty and students to do good always. She also felt that Dasara is the only festival celebrated for as many as 10 days which marks the death of Mahishasura, a demon. She felt that KLM will celebrate all the festivals with equal importance and extended her greetings.

The programme started with garlanding of portrait of late Sri Sivananda Reddy sir and observed two minutes silence as mark of respect for the departed soul. I B.Tech students sang a prayer song at the beginning. Cultural programmes were held, which made the audience spellbound. The anchoring of the programme done by Rajeswari and Sumalatha of 4th B.Tech was the highlight of the day. The 1st year B.Tech students felt very happy for participating in the programme. All the participants had a sumptuous lunch in the afternoon.

Mr. B. Mahesh Nayak, TPO of KLMCEW delivering his lecture on basic communication skills

Mr. Mahesh Nayak in his lecture, delivered that basic communication as well good communication skills are essential to allow other people and ourself to understand more information accurately with motto of enhancing the skills of the person because good communication skills give well settlement of life helps in the way of transition of student to professional achiever. Poor communication skills lead to misunderstanding and become constraint to professional career growth and personal life. Also, students exhibit their communication skills in front of the TPO.

Principal Dr. M. V. Rathnamma garu appreciated the TPO Mahesh Naik for arranging such useful session to the students which helps in choosing the right path to enhance the communication skills.

National Education Day Celebrations and Poster Presentation

Every year on 11th November, we observe "**National Education Day**" which coincides the birth anniversary of Maulana Abul Kalam Azad, the first Minister for Education, Government of India. On the occasion of that, we observed National Education Day to mark the occasion, we the NSS unit and Institution's Innovation Council (IIC) conducted a poster presentation competition for students, in which students participated actively and had exhibited their talent.

Felicitation to Dr. Krishna Mohan by principal and staff

Department of ECE and Department of MBA of KLM College of Engineering for Women has successfully organized a workshop jointly on “Entrepreneurship and Innovation as Career Opportunity” on 18th November 2022. We invited Dr. G. Krishna Mohan, Professor & Principal of KSRM College of Management Studies, Kadapa. Resource person the Krishna Mohan garu promoted the importance of entrepreneurship and innovation as career opportunity and inculcate skillset required for a young graduate. He described the overall architecture of the entrepreneurship life cycle and how student can create innovative product by undertaking relevant methods and demonstrate global entrepreneurship activity – growing share of India and different types of entrepreneurship.

Head of the MBA department Dr. A. Hari Haranath Reddy appealed the students to think innovatively and hope them settle as successful innovators in their future. Principal Dr. M. V. Rathnamma felicitated the resource person. The programme was coordinated by Dr. T. Lakshmi Narayana, HOD of ECE and Mr. C. V. Ramana, Assistant Professor in MBA.

Freshers' Day Celebrations

The much awaited and much needed enjoyment was found by I B.Tech and I MBA and I M.Tech students in Freshers' Day. The grand gala event in which college looked colourful with the very presence of students wearing colourful attires was a real treat to all, which was started by a meeting in which our Managing Director of KGI Dr. K. Chandra Obul Reddy sir felt that this kind of event was never took place in KLM and asked students to make seniors as best mentors and he asked students to bring any issues faced by them without any hesitation.

Correspondent of KGI Smt. K. Rajeswari madam garu lauded the beauty of KLM girls as they brought colours to college, she felt that his son is providing all the facilities and asked them to make use of facilities and she asked them not to neglect studies and to concentrate more on careers.

Students enjoyed by exhibiting their dancing skills

Dr. G. Krishna Mohan, Principal, KSRM College of Management Studies, spoke and felt that freshers day is the best platform for juniors in making acquaintance with seniors and juniors can take leaf out of seniors. Principal Dr. M. V. Rathnamma garu thanked all students for joining KLM and asked seniors to guide juniors in the right path and asked them to be role models. Prizes were distributed to winners and later cultural programmes enthralled the audience; students exhibited the talents beyond our expectation. The students were on cloud nine with most of them dancing off the stage, for the way they enjoyed it was a memorable evening for all. The colourful function came to an end with cheerful faces. The anchoring of Arshiya and Reshma was the highlight of the day.

Students participated in poster presentation

Principal Dr. M. V. Rathnamma garu distributing prizes to the winners in poster presentations and seminars

KLMCEW staff had a busy schedule on 26th November 2022 in organizing as many as four events in connection with "National Constitutional Day". The day started with a motivational speech by Fayaz, an alumnus of KSRM (2013-17 batch), in which he motivated the students, and in the afternoon session, we had a seminar (PPT) on Constitution Day, in which students participated with enthusiasm. A poster presentation was also held to mark the occasion, in which students presented posters depicting the importance of democracy. A mock parliament was also held, in which students acted as people representatives and acted as ruling and opposition parties. The students were given away prizes by the principal. The students also took part in the exhibition conducted by Kadapa Municipal Corporation, for which prizes would be announced on 3rd December, students are confident enough to win the prize in the event.

Idea Submission to Kadapa Municipal Corporation and Project Expo

Officials of KMC observing the model prepared by KLMCEW students

Students of KLMCEW participated in an exhibition conducted by Kadapa Municipal Corporation (KMC) on 26th November 2022 and exhibited the talent.

The students came out with novel ideas in converting sewage water into drinking water, roof plantation, rain water harvesting, generation of power with garbage, waste water recycling by the students Ms. K. Uma Sree, Ms. Shaik Shamsia Sulthana, Ms. Zinka Prabhavathi, Ms. T. Kalyani, Ms. Shaik Nazma, Ms. Bibi Hazeera, Ms. Sakina Farhad, Ms. V. Susan Nikhitha, Ms. Shaik Saheera. The students were mentored by Dr. T. Lakshmi Narayana, Mr. D. Sreenivasulu and Mr. B. Mahesh Nayak. And they were monitored by Mr. V. John Devanand, HOD of H&S and Mrs. N. Naga Lakshumma, Lab Technician in Department of ECE

Session on Problem Solving and Ideation Workshop by IIC, KLMCEW

Poster about the workshop

The coordinators monitoring the session

Resource person Dr. A. Hari Haranath Reddy delivering lecture on problem solving and ideation

Institutions Innovation Council (IIC) of KLMCEW and Department of MBA jointly organized a “Session on Problem Solving and Ideation Workshop” on 29th November 2022. Dr. A. Hari Haranath Reddy, HOD of MBA Department, the resource person delivered a presentation on ideation and problem-solving methods.

During the course of his lecture, underlined the need for rational decision – making in the wake of uncertainty and unpredictability in the markets. Emphasis was laid-upon techniques like Delphi method, Gordon method among others that are extensively used to overcome irrationality in decision-making ensuring successful allocation of resources for better results and increased customer loyalty. Adopting evolving techniques and blending them with emerging technologies will result in innovation and enhancing of deliverance mechanisms.

Faculty and students of MBA department took part in the programme. Management and Principal Dr. M. V. Rathnamma garu appreciated the resource person Dr. A. Hari Haranath Reddy and coordinators of the programme Dr. T. Lakshmi Narayana and Mr. V. Naga Maheswar.

Yoga Awareness - An Induction Programme to 1st Year Students

Mr. Dharani Kumar, the yoga guru giving the instructions to the students on yoga

Trainer practicing the yoga with students

As a part of Induction programme for 1st year B.Tech, the NSS unit of KLMCEW has organized Yoga session in order to create the awareness on Yoga and its importance. The yoga trainer Mr. Dharani Kumar, told the importance of yoga in keeping our body fit and he asked students to do yoga daily for good health and to keep diseases at bay. The trainer made the students to do some yoga postures and explained the benefits of yoga postures in daily life. Principal madam took initiative in organizing this programme. HODs, teaching staff and non-teaching staff took part in it.

NATIONAL ENERGY CONSERVATION DAY

I B.Tech students enlightening the seniors on Energy conservation today on the eve of "National Energy conservation day". Yesterday on the eve of "National Energy conservation day" A Programme has been organized with collaboration of NSS unit and IIC. The I B.Tech students went round the classes of seniors and enlightened them to save the energy for the future. Later in the day speeches were given by the students stressing the need for conservation of energy. The principal felt that every student should feel it as responsibility to save energy and she asked students to take pledge to save energy, she felt that dwindling coal deposits making the future bleak, she asked students to enlighten the illiterate people in this regard. Later students performed message oriented Mimes depicting the importance of Conservation of Energy resources and the importance of renewable energy.

India is known as a country of villages and agricultural surpluses. Also, almost 50% of the people depend on agriculture for their livelihoods and form the majority of the country's rural population. December 23 is observed as National Farmers' Day. This is generally celebrated by organizing awareness campaigns and drives across the country to educate people on the role of farmers and their contribution to the economy. Students planned to meet the farmers and planned to give awareness on advancement currently utilising across the world.

PRE-CHRISTMAS CELEBRATIONS

A pre-Christmas celebration was held at KLM College of Engineering for women today. The college wore a festive look with shining stars, Christmas tree, crib, festoons, Balloons and many more. Correspondent madam felt very happy to celebrate Christmas and extended Christmas wishes to all. Principal Dr. M. V. Rathnamma extended her wishes and told that she took education in Christian institute in her school days and felt that taking Education in Christian school is a privilege and felt happy to celebrate all religious festivals equally in KLM. Later, a skit was performed by I CSE students depicting birth of Lord Jesus Christ. Pravallika, a student spoke about the importance of Christmas and its significance. V. R. John Devanand, NSS programme officer said importance of Christmas festival and told about Santa Claus and Boxing Day's importance. J. Yonathan speaking on the occasion quoted a few Bible verses. B. Adilakshumma, ECE told the importance of birth of Jesus and Bible and recited a few Bible verses. A few Christmas hymns like

"Jingle bells", "Hark the herald" "Joy to the world" were played to mark the occasion. Finally, cakes were distributed to all the invitees. Students and faculty enjoyed the programme.

PRE-NEW YEAR CELEBRATIONS

Bidding farewell to 2022, pre-new year celebrations were held today amidst pomp and gaiety, where students enjoyed a lot and cherished every moment of it with some awesome performances, a fine way to end the year.

Correspondent garlanding the portrait of Late KSNR and addressing the gathering

The celebrations kicked off paying tributes to departed soul, Sri KSNR by garlanding his portrait and by observing 2 minutes silence as a mark of respect, Rajeswari madam conveyed New Year wishes in advance to all students and staff and expressed confidence that New Year would bring happiness in every house hold. Then cultural programme began which enthralled the audience, the students were on cloud nine, enjoyed and several students danced off the stage, the highlight of the programme was a splendid duet "పరువం వానగా" by V. Bhanu Priya and B. Sivani made the audience spellbound, won accolades from audience.

New Year cake was cut by the correspondent and cakes were distributed to all, relished by the students. A few students enjoyed by applying the cream of cakes on the faces of the dear ones. The student's enjoyment was beyond the imagination.

BLACK DAY

Black day has been observed on 14th February 2023 at KLMCEW. On this day four years ago the militants attacked with landmines and blasted military vehicle carrying Indian soldiers, in which all of them died on the spot. The ghastly incident made the Indians shock. Our Honourable Prime minister announced to observe February 14th as "Black Day".

In view of the above, two minutes of silence was observed at KLMCEW on 14th February for the brave Indian soldiers who laid down their lives in horrifying incident. Speaking on the occasion faculty felt that this kind of incidents should not be repeated and also felt that terrorists should be taught a fitting lesson. They felt that all the Indians are with them supporting them who are safeguarding us risking the lives. Principal Dr. M. V. Rathnamma garu, HODs, teaching staff, non-teaching staff and students took part.

FREE DENTAL CAMP ON THE EVE OF WORLD HEALTH DAY

On the eve of “World Health Day” with collaboration of NSS unit of KLMCEW, a Free Dental camp has been organized on 07th April 2023 at KLMCEW, Kadapa. Dr. M. Supriya Grace, Dental Surgeon attended and enlightened the students with her speech. In her speech, she asked the students to brush teeth twice and asked to brush only for two minutes in circular movements and she asked to gargle after taking food. She exhorted students to safeguard the gums and asked not to put pressure on teeth while brushing, because the pressure on teeth will ultimately damage the life of teeth. Dr. Supriya has presented power point presentation on oral hygiene to create awareness among students and asked not to neglect oral hygiene. Principal Dr. M. V. Rathnamma garu, speaking on the occasion felt that health is wealth and asked students to maintain good health and felt that oral hygiene is the need of the hour. She exhorted to have dental check up every now and then to keep dental problems at bay. Later Dr. Supriya has conducted dental checkup for the students regarding oral hygiene and has given valuable suggestions to improve oral hygiene. Students were very happy to attend the dental camp and felt that they were benefitted. Our Managing Director Dr. K. Chandra Obul Reddy has appreciated the organizers of the camp. Correspondent Smt. K. Rajeswari madam felt that this kind of camps will enlighten the students. All HODs, teaching, non-teaching staff, NSS programme Officer V. R. John Devanand and volunteers took part.

74th BIRTH ANNIVERSARY OF LATE SRI. KSNR GARU (SIVANANDA SMARANAM)

The grand gala event that is 74th birth anniversary of our former correspondent Late Sri. K. Sivananda Reddy, a three day “SIVANANDA SMARANAM” was culminated successfully from 13th to 15th April 2023, at a colourful function held at KSRRM and KLMCEW campuses.

Speaking on the occasion Hon. M.D. of KGI Dr. K. Chandra Obul Reddy garu felt that he had fulfilled all his promises like providing free education for merit students through KGCET for the past two years, constructing indoor stadium, providing solar roofed parking etc. And expressed his willingness to conduct PGCET next year paving way for free education in post-graduation too. He felt that constructing indoor stadium was his father's dream actually but could not materialize due to some reasons, so he has taken initiative in completing, and he expressed happy that indoor stadium will be second highest in India, in terms of height, and it is a real tribute to his loving father. He felt that his father was a noble and humble man fulfilled the dreams of many. He told that “My father lives in my heart forever”. He launched the KGCET-2K23 poster on this occasion.

To the much delight of the audience an audio visual was played, in which our MD sir was on an expensive bike driving on a highway and entering KSRRM entrance, the audience felt that, it was like an introduction of film hero in a movie, made the audience spellbound for a few minutes and there was a huge round of applause, his entry on to the stage was a memorable one as he came close to dais on a car, while he was alighting from car a song was played “వచ్చడాయ్యో సామి” amid students roaring, oh!!!! What an entry it was. He also felt that "whatever we are providing in campus, we are advertising, what we are not providing, we are not advertising “KSRRMCE and KLMCEW” are always frontrunner in providing all the facilities needed by the students. A sumptuous dinner was served and later cultural programmes enthralled the audience, the highlight among all was butterfly dance, the audience enjoyed beyond expectation and it was memorable night for the Kandula Group. Hon. Vice-Chairman Sri. K. Madanmohan Reddy garu, Hon. Correspondent Smt. K. Rajeswari garu, KSRRMCEMS Principal Dr. G. Krishna Mohan garu, KLMCEW Principal Dr. M. V. Rathnamma garu, KORMCE Management Member Smt. S. Likitha garu spoke and participated in the programme. The students-maintained discipline and decorum throughout the programme.

PROJECT EXPO AND HACKATHON

On the eve of “World Creativity and Innovation Day”, project expo and hackathon has been organized by Institution’s Innovation Council (IIC) of KLMCEW on 21st April 2023. The students of ECE and CSE actively involved and took part in hackathon, in which students engaged in large number in collaborative computer programming. The principal at the inauguration felt that the students should participate and asked them to utilize, the HODs felt that hackathon is the perfect platform to gain knowledge. The students from various colleges have participated and gained much needed knowledge. Later on, the judges went around the participants interacted with them and based on their performance prizes for awarded for the winners. Dr. T. Lakshmi Narayana, Mr. D. Srinivasulu, Mr. B. Mahesh Nayak acted as conveners. The hackathon was culminated successfully.

ANNUAL DAY CELEBRATIONS

15th Annual day of college was a memorable night for all of us, the students were on cloud nine, enjoying every moment. The high voltage college annual day celebrated amid fanfare. The event started paying tributes to departed soul KSNR. Speaking on the occasion Principal asked students to treat college as temple and B.Tech degree as "ప్రసాదం" of GOD, she felt during 9 months after assuming office, KLM buzzing with activities and she added that college is making rapid strides in development and students' knowledge can't be stolen. KSRM Principal felt KLM is on developing path since its inception in 2008, and added that once KLM identity was not that much known but now things changed and KLM is now having its own identity catering needs of women in this region. Correspondent Rajeswari garu asked students to work hard to be in zenith positions.

The correspondent Smt. K. Rajeswari and MD Dr. K. Chandra Obul Reddy on college Annual day

Dr. K. Chandra Obul Reddy garu felt that he is taking all measures to elevate college and asked students to utilize the opportunities provided by him in the best possible way and felt that whatever students ask, he is ready to provide within no time. He also compared students to precious diamonds, needs to be sharpen. He added that the place of selling decides the price of the commodity.

The chief guests were welcomed by the students

Chief Guest Dr. M. Rama Krishna, Professor from K. L. University asked the students should be brand ambassadors of prestigious "KANDULA Group" as alumni of KANDULA is present all around the globe, another chief guest Dr. Y. Jyothi felt that M.D sir is like a coconut, looks hard outside but inside, he is very soft and she added that students are Diamonds and you have "రత్నం" also in the form of principal at the helm and exhorted students to strive hard. Prizes were distributed for various competitions held and best outgoing student awards were also given to students.

Later sumptuous dinner was served to all, after those cultural programmers enthralled the audience made the audience spellbound, which was really treat to watch. All HODs, staff, students, non-teaching staff took part.
